

# Discover **INCITE**

## A strategic tool for Industrial Innovation

**INCITE**, in close collaboration with all relevant stakeholders, greatly contributes to a more sustainable and competitive European industry.

Our mission is:

**ENSURE  
DEPOLLUTION**

**INCREASE RESOURCE  
EFFICIENCY**

**STIMULATE  
DECARBONISATION**

Hosted by the EU-BRITE Team located in the Joint Research Centre in Sevilla, INCITE is a hub for identifying and analysing the most promising innovative technologies for depollution, decarbonisation, and the increase of resource efficiency and circularity.
